Personnel Conversations

2. Lieutenant Robert Bishop, also in Air Forces Intelligence, wishes a job with the organization. I introduced him to Colonel Huntington and Mr. Halliwell and I believe Captain Lincoln was to look into his availability for a transfer. Bishop was formerly with OSS and served under me as an executive in OWI. He is a very good man to get along with people. He has had Air Forces Intelligence training and I thought he might be a Dispatching Officer or a Target Reports Officer attached to one of the Base Missions, or he might be assigned to the Operations office here to do liaison work with the Air Forces. I would like to suggest that you ask Lt. Bishop to come over and talk with you and you can follow it through from there.
